3.3.23 Policy on Deadly Weapons

I. Purpose

In Kentucky Revised Statute (KRS) 237.115, the Kentucky General Assembly has explicitly recognized the authority of colleges and universities to regulate the possession of deadly weapons on any property owned or controlled by them, including the right to prohibit possession of such weapons by any person or entity using or enjoying said property or premises. This policy applies to all property and premises owned or controlled by KCTCS including off-campus facilities used for events controlled, sponsored, or managed by KCTCS.

Accordingly, through this policy KCTCS exercises the above right, consistent with KRS 237.115, to institute a general prohibition against deadly weapons on the property/premises due to safety and security concerns, as well as the right for KCTCS to make exceptions to the general prohibition in consideration of KCTCS operational needs and other related statutes.

This policy is applicable only in the Commonwealth of Kentucky. While participating in work-related travel to other states, all employees are responsible for knowing and complying with the laws pertaining to deadly weapons in those states. KCTCS accepts no liability for employees or other individuals who commit violations of deadly weapons laws in Kentucky or in other states.

II. Entities Affected

This administrative policy applies to all members of the KCTCS community, including faculty, staff, students, and visitors.
