Section 1.9.1 - General

The Kentucky Community and Technical College System (KCTCS) President is authorized by the KCTCS Board of Regents to enter into agreements and authorize payments on behalf of KCTCS. The President of KCTCS delegates this financial authority to certain administrative officers of KCTCS. This delegation is outlined in this procedure and the KCTCS business procedures of 1.10 and 1.11. Please see http://www.kctcs.edu/businessservices/BusProcedures.htm KCTCS can be committed in these respects only in a manner consistent with this delegation.

In making these delegations, minimum levels of responsibility for approval of transaction documents and contracts are as indicated in the applicable procedures. All general and specific delegations of authority under this policy must be consistent with these final levels of responsibility. Even though signatory or approval authority may be delegated below the final levels of responsibility indicated in business procedures (BP) 1.10 and 1.11, the assigned officer remains fully responsible for all transactions executed under the delegated authority.

Section 1.9.2 - Delegations Authorized by Procedures 1.10 and 1.11

A college president/chief executive officer (CEO) has absolute delegation authority
within a college. Delegations may be granted to individuals allowing the delegated employee to delegate to a lower level (See BP 1.10.2).

The following delegations have been made by BP 1.11 - Approval Authority for Contracts and Agreements.

A. The KCTCS President has been delegated specific authority which cannot be delegated to a lower level for approving contracts for certain services and/or activities as noted in BP 1.11.2. These are as follows:

- Bond Indentures,

- Contracts between KCTCS, as a system, and other universities or state or local government agencies.

B. The KCTCS President has delegated definitive authority for approving specific contracts to the KCTCS Vice President – Finance as stated in BP 1.11, sections 1.11.3 and 1.11.4. This delegation cannot be delegated by the Vice President – Finance to a lower level. These are as follows:

- Banking,
- Insurance,
- Real Estate Purchases or Leases,
- Easements,
- Architectural and Engineering Services,
- Capital Construction,
- Hazardous Waste Disposal, and
- Personal Service Contracts, regardless of amount. (See BP 4.16 for details.)

C. The KCTCS President has delegated definitive authority for approving specific transaction documents to selected administrative officers of KCTCS as indicated in BP 1.10, sections 1.10.7 and 1.10.8. These officers may delegate approval authority by submitting a Delegation of Authority Form (BC1 – Signature Authority) to the KCTCS System Director of Business Services’ Office. For audit and recording keeping the KCTCS System Director of Business Services’ Office shall be the repository office.

Further, the KCTCS President has the authority to delegate the approval of withholding and tax remittances such as garnishments, liens, payroll benefits other withholding payments, and procurement card service provider payments, as may be necessary (regardless of the dollar amount) to ensure compliance, continuity of business and expediency in provision. In such instances, the
KCTCS President’s delegation may then be delegated to the lowest reasonable level of assurance for internal controls for the payments to be processed timely and without interruption. Example, the KCTCS President may delegate the signature/approval authority for such payments to the KCTCS Vice President of Finance who may delegate the signature/approval authority to the KCTCS System Director of Business Services who may delegate the signature/approval authority to the KCTCS Director of Payroll.

D. The KCTCS Vice President – Finance or delegated agent will be responsible for final review and approval of all payments as to the appropriateness of documentation and adherence to appropriate policies, procedures, and regulations (See BP 1.11, section 1.11.8.)

Section 1.9.3 – Delegation of Timesheet Approval

Timesheet approval is the responsibility of the employee’s immediate supervisor. If an employee’s supervisor is unable to approve timesheets, then the next higher-level supervisor of the employee must approve the employee’s timesheet. A formal delegation of authority form is not required for verification of the timesheet. Also see BP 5.1, Timesheets.

Section 1.9.3 – Delegation of Travel Voucher Approval

A travel voucher must have: 1) the approval of the employee’s supervisor, and 2), the person responsible for the budget to which the travel expense is being charged, if that person is different than the supervisor. Note: The designated travel auditor within the business unit who can verify the accuracy of the charge to the particular budget may serve as the budget approver. To document the budget approver locally, a Signature Authority Form (BC1) shall be on file at the college for college personnel and System Office for System Office personnel. To document the travel auditor approving in lieu of the person responsible for the budget to where the expense will be charged, a Signature Authority Form (BC1) shall be filed with the System Director of Business Services with the type of authority clearly marked in Part I of the form. The System Director of Business Services shall forward a copy of this delegation to the KCTCS Travel Auditor for purposes of auditing travel vouchers for proper signature authority approval.

A formal delegation of authority form is not required for verification of the travel, but is required for the responsible
person who has been delegated the budget to which the travel will be charged. It is the responsibility of the operating unit to which the traveler is an employee to ensure compliance to this procedure.

Section 1.9.4 – Delegation of Procurement Card Statement Approval

The approval of the Procurement cardholder’s statement is the responsibility of the employee’s immediate supervisor and cannot be delegated except as stated below. Also see Procedure 4.2, Procurement Card.

A. If an employee’s supervisor is unable to approve an employee’s procurement card statement, then the next higher-level supervisor of the employee must approve the statement. A formal delegation of authority form is not required for verification of the items purchased, but is required by the responsible person who has been delegated the budget to which the charges are posted. It is the responsibility of the operating unit to which the procurement card user is an employee to ensure compliance to this procedure.

B. The KCTCS Vice President – Finance is delegated to approve ProCard statements vouchers for members of the KCTCS cabinet.

Section 1.9.5 – Delegated Authority for PeopleSoft Workflow Approvals

In such instances, a formal Delegation of Authority (BC1) form must be submitted to the KCTCS System Director of Business Services Office with the type of authority clearly marked “permanent” in Part I of the form.

Section 1.9.7 - Temporary Delegation of Authority

Business travel and meeting requirements will, at times, dictate that an officer with approval authority is unavailable to approve transaction documents. The officer may delegate on a temporary basis the authority to approve financial transactions and documents. Even though signatory or approval authority is delegated below the minimum levels of responsibility, the assigned officer remains fully responsible for all transactions executed under the delegated temporary authority. The delegation form must provide the dates of the temporary delegation and the type of transactions or documents included.

Section 1.9.8 – Cancelled Delegation Authority

The delegating authority must notify the KCTCS System Director of Business Services’ Office in writing that a delegation has been cancelled (E-mail notification will suffice). It is the responsibility of the person granting the original delegation to ensure that delegations are active and current.
